Basement life style
Feels like we're the kingdom
The heat is melting off my dress dress yes yes yeah
Sneakin kisses all up on my color bone
Baby let me love me long long long time

Pre chorus:

Uh I love you when, when you touch me like that
You know I'm gonna, gonna do it right back
Adrenaline rushing right to your head head yeah yeah
yeah

Chorus:

Uh you make my heart paparapam
Dance to the beat to my drums slow wine
Push up, push up baby one one
Yeah yeah mr. valentine
You been got me blacka blacka blacka on my back slow
shots oh my
Push up, push up like a dumb trunk
Yeah yeah mr. valentine

Yeah yeah yeah baby

Siente caliente like the sun is in here
Don't matter how we look better
wet wet sweat sweat yeah
Aruba to Cuba
I see you in my future
What you see is what you get get get get get yeah

Pre chorus:

Uh I love you when, when you touch me like that
You know I'm gonna, gonna do it right back
Adrenaline rushing right to your head head yeah yeah
yeah

Chorus:

Uh you make my heart paparapam
Dance to the beat to my drums slow wine
Push up, push up baby one one
Yeah yeah mr. valentine

You been got me blacka blacka blacka on my back slow
