### **"So Deep So Fast"**

Seems like only yesterday  
You rolled up on me and kicked your game  
And I never thought that I'd fall for it  
And now your laying next to me  
Are emotions are taking over (oh ah uh)

Something just got me sprung  
I'm not the only one  
You know you feel it too (oh ah ah ah)  
Trying but cant hold back  
Getting so deep so fast  
Wanting this thing to last (oh ah ah ah)

How we get so deep so fast?  
So deep so fast  
So deep so fast  
Your love went straight into my heart  
So deep so fast (ahhh ahhh ahhh)  
So deep so fast  
So deep so fast (ohhh what you do to me)  
So deep so fast  
So deep so fast (ahhh ahhh ahhh)  
So deep so fast

Everytime you walk up out my door  
We both feigning to get some more  
Wanna put it on each other  
And when we face to face and eye to eye  
You can see its so hard to hide (oh ah oh ah ah)

Something just got me sprung  
I'm not the only one  
You know you feel it too (oh ah ah ah)  
Trying but cant hold back  
Getting so deep so fast  
Wanting this thing to last

How we get so deep so fast?  
So deep so fast  
So deep so fast

Your love went straight into my heart  
So deep so fast (ahhh ahhh ahhh)  
So deep so fast  
So deep so fast (ohhh what you do to me)  
So deep so fast  
So deep so fast (ahhh ahhh ahhh)  
So deep so fast

So fast ahhh  
We've falling deep in love  
It can get the best of us  
I really dont care cause  
I'm feeling you  
We've falling deep in love  
It can get the best of us  
I really dont care cause  
I'm feeling you

How we get so deep so fast?  
So deep so fast  
So deep so fast  
Your love went straight into my heart  
So deep so fast (ahhh ahhh ahhh)  
So deep so fast  
So deep so fast (ohhh what you do to me)  
So deep so fast  
So deep so fast (ahhh ahhh ahhh)  
So deep so fast  
How we get so deep so fast?  
So deep so fast  
So deep so fast  
Your love went straight into my heart  
So deep so fast (ahhh ahhh ahhh)  
So deep so fast  
So deep so fast (ohhh what you do to me)  
So deep so fast  
So deep so fast (ahhh ahhh ahhh)  
So deep so fast

So deep so fast  
Fast  
Fast  
Ohhhhhh  
How we get so deep?
