Hey girl come stay next to me  
Wanna buy and get you here  
Is hot but you are refreshing me  
Cause ain't no other grill as good for me  
Your face look like my jewelry cause it's shining  
bright under the lights  
Just so I have done some .. so let me take you .. light  
Seen a lot of girls but I never seen one as good  
You are a lot of bad but you are making me feel so  
good  
.. gonna make it no better if a try  
Hey yo you know you need to put me on  
Hey girl you know you are like ,,  
Hey girl you are so good  
Hey yo you should  
You should come take a walk with me  
If you are scared stay ahead and ..  
Baby don't .. cause we both know  
By the end of the night we both call â€!  
Your face look like my jewelry cause it's shining  
bright under the lights  
Just so I have done some .. so let me take you .. light  
Seen a lot of girls but I never seen one as good  
You are a lot of bad but you are making me feel so  
good  
.. gonna make it no better if a try  
Hey yo you know you need to put me on  
Hey girl you know you are like ,,  
Hey girl you are so good  
Hey yo you should  
Let me calculate it  
You got it straight  
Like to keep me waiting  
I could tell you  
Got me thinking  
Turn me on  
I am trying to show you  
You are not these other girls  
In my opinion girl you deserve the world  
All the world  
Seen a lot of girls but I never seen one as good  
You are a lot of bad but you are making me feel so

good  
.. gonna make it no better if a try  
Hey yo you know you need to put me on  
Hey girl you know you are like ,,  
Hey girl you are so good  
Hey yo you should
