Vibe Killer by CHRISTINA MILIAN

I remember when you said
You'd be there always
It was September
When we started
Now in August
I'm broken hearted
And it's always on my mind
And it's starting to kill my vibe

Always feels like the sun's going down
Everytime that you come around
I just feel like the rain and the clouds
Stay over us and it's pouring down
You kill my heart
Vibe killer
Vibe killer
Vibe killer
You kill my heart
Vibe killer
Vibe killer
Vibe killer

Damn all these pictures and the frames
Make it hard for a change
I need a fixer for my heart
Is the one to save the day
And it's always on my mind
And it's bound to kill my vibe

Always feels like the sun's going down

Everytime that you come around
I just feel like the rain and the clouds
Stay over us and it's pouring down
You kill my heart
Vibe killer
Vibe killer
Vibe killer
You kill my heart
Vibe killer

Vibe killer
Vibe killer

I take the shot you tell me stop
I say it's hot you say it's not
What makes you so hot and cold
I wanna stay you wanna go
I'm saying yes you're saying no
I think it's time to let you go go go

Always feels like the sun's going down
Everytime that you come around
I just feel like the rain and the clouds
Stay over us and it's pouring down
You kill my heart
Vibe killer
Vibe killer
Vibe killer
You kill my heart
Vibe killer
Vibe killer
Vibe killer
