It was your smile, it was your style
That had me going for the jump.
It was your name, it was your sign
That made me want to run

Fly me to Vegas, packing my bag
Don't know where it will take us, when I come back
I'll be with you, You'll be with me, And the rest is history

Welcome to Vegas
Love on the runway, soon as we land in the airport
holding my hand

Welcom to Vegas
With Louis duffle bags we entered out the terminal
I'm forever yours

Welcome to Vegas

I'm forever yours (repeat x5)

Welcome to Vegas

It was your lips and teh first kiss
That had me rolling around in bliss
It was you touch, you hold, that took my hear in from
the cold

Fly me to Vegas, packing my bag
Don't know where it will take us, when I come back
I'll be with you, You'll be with me, And the rest is history

Welcome to Vegas
Love on the runway, soon as we land in the airport
holding my hand

Welcom to Vegas
With Louis duffle bags we entered out the terminal
I'm forever yours

Welcome to Vegas

I'm forever yours (repeat x5)

Welcome to Vegas

It's just me and you
Baby lets go and elope

I love your love
I'm feeling to let the whole world know

This could be a night to remember
We'll look back and remember

We're standing in this chape and nothing else matters

Welcome to Vegas
