Let's talk about
Cookin' dinner for ya
Makin' sure you got somethin' to eat
When you come home from runnin' 'round on me

Let's talk about
Washin' clothes for ya
Makin' sure you're fresh when you hit the streets
Or all these southern chickens to see

Let's talk about
Not hangin' out with my girls
Because you say they triflin'
Tellin' me they ain't no good

When you was probably tryin' to get with 'em
So tired of this disrespectful
So ungrateful, make me hateful
Y'all don't appreciate nuthin'

Playin' my part for you, faithful and trustin'
But y'all really, y'all really don't appreciate nuthin'
Above me I placed you like it was nuthin'
But y'all, y'all don't really appreciate nuthin'

And I did it 'cause I wanted to, 'cause I wanted you
happy
Isn't that how love's suppose to be?
But now I'm so done, I'm through, I'll tell ya somethin'
Y'all really, y'all really don't appreciate nuthin'

Oh, let's talk about somethin' personal
Like havin' to put on a show so I don't ruin yo ego
Don't run like you don't know what I mean
Baby you come home late, like after three

Tappin' me like, ?Are you asleep??. I put yo priorities
over me
Even when I had to go to work, I stayed up with you
'Til the early mornin', makin' sure you got what you
need
I'm tired of this boy, you're not appreciatin' me

Playin' my part for you, faithful and trustin'
But y'all really, y'all really don't appreciate nuthin'
Above me I placed you like it was nuthin'
But y'all, y'all don't really appreciate nuthin'

And I did it 'cause I wanted to 'cause I wanted you
happy
Isn't that how love suppose to be?
But now I'm so done, I'm through, I tell ya somethin'
Y'all really, y'all really don't appreciate nuthin'

See you don't think, don't understand
Just 'cause you a man, it's okay to do what you do
I tried to work it out, ain't no reason to no more
Boy, that's why you out the door
Packed yo bags now you out the door

See you don't think, don't understand
Just 'cause you a man, it's okay to do what you do
I tried to work it out but you couldn't do it
So now I'm gone

Playin' my part for you, faithful and trustin'
But y'all really, y'all really don't appreciate nuthin'
Above me I placed you like it was nuthin'
But y'all, y'all don't really appreciate nuthin'

And I did it 'cause I wanted to, 'cause I wanted you
happy
Isn't that how love's suppose to be?
But now I'm so done, I'm through, I tell ya somethin'
Y'all really, y'all really don't appreciate nuthin'
