You snooze you're gonna lose and she won't want you
back again

The way you keep on playin' is impossible to win

Soon you're gonna see you'll head to at the end

You're goin' to hit and miss

You snooze you lose baby

[Verse 1]

Hey boy you haven't been payin' attention to my friend,
I know you think you're the man the way you do your
thang .

And I bet you're havin' fun when your hangin' with your
boys.

Well your relationship with your girl is comin' to an end

.

You keep thinkin' that she won't leave

but again & again you go on and on and the next thing
you know she'll be gone .

[Chorus:]

You snooze you're gonna lose and she won't want you
back again

The way you keep on playin' is impossible to win

Soon you're gonna see you'll head to at the end

You're goin' to hit and miss

You snooze you lose baby

[Verse 2:]

Now you proly don't believe me I'm tellin' you is true

'Cuz she told me she had a problem her problem was
you

So you walkin' on thin ice and I'm breakin' you the news

You betta be on your toes cause soon she's gonna go .

You keep thinkin' that she won't leave

but again & again you go on and on and the next thing
you know she'll be gone .

[Chorus:]

You snooze you're gonna lose and she won't want you

back again
The way you keep on playin' is impossible to win
Soon you're gonna see you'll head to at the end
You're goin' to hit and miss
You snooze you lose baby

[REPEAT CHORUS 2X]

You keep thinkin' that she won't leave
but again & again you go on and on and the next thing
you know she'll be gone

[REPEAT CHORUS 3X]
