

# Christina Milian Feat. Jermaine Dupri "A Girl Like Me"

Visit "[A Girl Like Me](#)" on [MotoLyrics.com](http://MotoLyrics.com)

You know like I know  
You ain't never ever met nobody like me, me  
You know like I know  
You ain't never ever met nobody like me, me

You never met a girl like me  
I ain't gonna sweat you other places you be  
Who you run with, who you havin' fun with  
That's how it is when you got a down little chick on ya team

You never met a girl like me  
I ain't gonna sweat you other places you be  
Who you run with, who you havin' fun with  
That's how it is when you got a down little chick on ya team

I might wake you up in the morning and cook for you  
If you having problem with a song I'll write a hook for you  
11:30 at night, I ain't gonna look for you, look for you  
'Cause I know you're coming home with me

I will never stress you or make you feel misled  
If you wanna go to the movies I'll flip it instead  
You don't pay me, I get this with my bread, my bread  
'Cause you know my money ain't a thang, a thang

You never met a girl like me  
I ain't gonna sweat you other places you be  
Who you run with, who you havin' fun with  
That's how it is when you got a down little chick on ya team

You never met a girl like me  
I ain't gonna sweat you other places you be  
Who you run with, who you havin' fun with  
That's how it is when you got a down little chick on ya team

If you trying to be out to the party, I'll let you go  
If you want be out with somebody, that's when I'll show

You do as you please 'cause baby that's how you know  
that  
There's no other place that I'd rather go

I ain't trying to be fussin' and fightin' up on yo' back  
Anytime you need me you know that I'm gettin' yo' back  
Ain't no one like me I want you to know that, know that  
I ain't changing nothing 'cause it's like that, like that

I know you're used to lovers that treat you like your  
mother  
So I know it's hard to understand when I say I'm your  
girl  
But I'm like your man

No matter if it's sweet talk or street talk  
I'm right here by your side  
And soon you'll come to see  
How it is to be down with a chick like me

You never met a girl like me  
I ain't gonna sweat you other places you be  
Who you run with, who you havin' fun with  
That's how it is when you got a down little chick on ya  
team

You never met a girl like me  
I ain't gonna sweat you other places you be  
Who you run with, who you havin' fun with  
That's how it is when you got a down little chick on ya  
team

You ain't never ever gotta worry about me shakin' the  
spot  
Or even think about another chick takin' ya spot  
I love it when you come around shuttin' shot down  
Lookin' good stuntin' my SUV

You know how long I been waitin' for someone with they  
mind right  
Find they like to kick it with this homey in the limelight  
Don't play uh, uh keep on keep on havin' fun  
All she ever think about is me

Christina, I ain't never seen nobody do it like you  
That's why I'm out here tryin' to give the whole world to  
you  
No matter what it is I gotta get it  
Hers and his 'cause baby you're the girl of my dreams

At first I didn't understand what I was dealin' with

A real real fly relationship I was killin' it  
But now I never felt nothin' like I'm feelin' this  
And all I ever talk about is getting' that ring

You never met a girl like me  
I ain't gonna sweat you other places you be  
Who you run with, who you havin' fun with  
That's how it is when you got a down little chick on ya  
team

You never met a girl like me  
I ain't gonna sweat you other places you be  
Who you run with, who you havin' fun with  
That's how it is when you got a down little chick on ya  
team

You never met a girl like me  
I ain't gonna sweat you other places you be  
Who you run with, who you havin' fun with  
That's how it is when you got a down little chick on ya  
team

You never met a girl like me  
I ain't gonna sweat you other places you be  
Who you run with, who you havin' fun with  
That's how it is when you got a down little chick on ya  
team
