"Mac Beautiful"

My Mac is brilliant. 123 Powerbook
But I went to the Apple Store just to take a look
I mean I love my little G4
It's done so good I say
But I saw the big Mac Pro and the 24 inch display

You're beautiful, you're beautiful, you're beautiful it's
true
The interface is such pretty taste
And I don't know what to do
Cause I'll never be with you

Yes it caught my eye

And I can't help but sigh
I could see that this processor would just fly
And I don't think that I'll see it again
But we shared a moment that would last til the end

You're beautiful, you're beautiful, you're beautiful it's
true
The interface is such pretty taste
And I don't know what to do
Cause I'll never be with you
