All i can see is your face  
all i can count are the days  
all i can taste is the tears  
silence is all i can hear

all i can feel is the fear  
all by myself no one near  
all i can smell is the dust  
nobody else i can trust

all by myself ,alone  
no one else to blame, all alone  
i search for you

all i can feel is despair  
lost in a maze i come here  
night turns to day still no light  
memories fading to ice

all by myself ,alone  
no one else to blame, all alone  
i search for you

all by myself ,alone  
no one else to blame, all alone  
i search for you  
i search for you  
i search for you
