"Because Of You"

I am waiting for this light
to clear the mist
and beam you out of sight
i'm wide awake
how i hunger for this shine
to chase away this madness stroke the line
im sick of those stories bout God will be called

all i can see is who you are
all i can see
i got the power
i feel no pain
all because of you
all i can see is what you are

i believe you were the one
but now i'm cold
but hurt seems like we're done
a waste of time
cant wait to say goodbye
to burn this bridge and soar into the sky
im sick of your stories bout God will be called

all i can see is who you are
all i can see
i got the power
i feel no pain
all because of you
all i can see is what you are

all i can see
all i can see
i got this power
i feel no pain
all because of you
all i can see is what you are
