it was a tale without a way
a story only you and i can mend
where the truth
was concealed between the lines
hidden words are hard to find
a fairy tale
lets all renew
and yet the stories
both of them were true
tomorrow i'll read another line
searching for a hidden sign

always had tomorrow
new phrases
and maybe i will find the hidden words
its from tale and yet there two of them but still
i'm trying reading between the lines

it's hard to grasp reality
to meet the terms and face what has to be
in my soul i was close to miles away
praying for another day
a secret tale
lets all renew
and yet the stories both of them were true
tomorrow i'll read another line
searching for a hidden sign

always had tomorrow
new phrases
and maybe i will find the hidden words
its from tale and yet there two of them but still
i'm trying reading between the lines

aa..... aa.... aaa.... aaa....

a fairy tale
lets all renew
and yet the stories
both of them were true
tomorrow i'll read another line

searching for a hidden sign
