"Low"

i follow the conversation
wheres the wonder with the wind
no sense of communication
i dont know where to begin

will we ever make it back together
wishing on all the love we had
wondering maybe i should let him go
only left me feeling low

i see him outside my window
and imagine once again
now i want to run greet him
but my pride is just too strong
for my head

will we ever make it back together
wishing on all the love we had
wondering maybe i should let him go
only left me feeling low

will we ever make it back together
wishing on all the love we had
wondering maybe i should let him go
only left me feeling low
