"My Angel"

for all the things you forsaken
i am proud of you
for all you've said in the moments
you told me be strong

although i said you can leave me
what've i to hide from you
you still look near my sorrow
you water my soul
and love who i am

you are the angel
who whispered dont cry
i have an angel
she told me to fly

for all you've done i am grateful
for your love and grace
for all the times you forgave me
some day i'll repay
i'll hold your hand

you are the angel
who whispered dont cry
i have an angel
she told me to fly

you are my angel
unfailing and kind
you're wise and forgiving
when i turn light

you are the angel
who whispered dont cry
i have an angel
she told me to fly
