'Cause you and I
We travel to the far end of the sky
All that I'd do
Only for you
Only for you
Lying on my pillow
Lost in time
Dreams reveal my mind
There below my window
Words of love were
Softly spoken
Say we are pretending
Way too young
But I will wait for you
Pray it's not the ending
We're far from done
Although my hear may be broken
'Cause you and I
We travel to the far end of the sky
All that I'd do
Only for you
Only for you
Longing for the morning song to come
Then I will run to you

When the night is over
Dawn will come
Although my heart may be broken
'Cause you and I
We travel to the far end of the sky
All that I'd do
Only for you
Only for you
Don't dare to treat our love our love
Like it's simply merchandise
Think you can buy a new one
When you feel that it's all gone
One thing I know for sure
You don't need age to be wise
So I'll be holding on
'Cause you and I
We travel to the far end of the sky

All that I'd do
Only for you
Only for you
