theres a meadow i long for
where my childhood was born
where the daylight is endless
the air pure and warm

in this meadow i kissed you
as i blushed with a smile
all the summers were joyful
when i was a child

always like no shade
never once betrayed
and i whispered you were mine
sharing secret signs

where a mind could fly
where my tears were dry
in this meadow i would see
and remember words you said are mine to keep

theres a meadow i long for
where the magic gave birth
to a childhood so blissful
and close to the earth
i will always remember
when you kiss me and smiled
all the seasons were endless
when i was a child

always like no shade
never once betrayed
where i whispered you were mine
sharing secret signs
where a mind could fly
where my tears were dry
in this meadow i would see
and remember words you said are mine to keep

always like no shade
never once betrayed
where i whispered you were mine

sharing secret signs
where a mind could fly
where my tears were dry
in this meadow i would see
and remember words you said are mine to keep
and remember words you said are mine to keep
