Have you heard the half-moon sing:
When will the full moon bring
My longing to an end?
Now we make the simple sign
When I take your hands in mine
Like the moon, full and round
Like a ring

I felt the same as you
Incomplete
In my soul I longed for the person
Who would make me whole
We share our every thought
We share every thing
Together in our love
In the symbol of the ring
The symbol of the ring

Have you heard the winter sing:
When will the coming spring
Renew another year?
Now we make the simple sign
When I take your hands in mine
Like the year, full and round
Like a ring

I felt the same as you
Incomplete
In my soul I longed for the person
Who would make me whole
We share our every thought
We share every thing
Together in our love
In the symbol of the ring

Bridge
Within the circle of the ring
Our love is full and round

I felt the same as you
Incomplete

In my soul I long for the person
Who would make me whole
We share our every thought
We share every thing
Together in our love
In the symbol of the ring
The symbol of the ring
The symbol of the ring
