You tried to take my money
You tried to take my things
I've changed the locks & bought a big dog
You can't come back for me
Oh, I'm stronger than you think

I threw away your clothes
& crashed the Mercury
I've got a new life without you
It's called fresh sanity
Oh, I'm stronger than you think

I called my mom & sister
I went to church today
I clapped & hooted, hollered
Did a backflip just because I know I'm saved
I'm stronger than you think
Oh, I'm stronger than you think

Solo

I got a new hair color
New job & love & friends
The sun is always brighter
& the air is cleaner when
I'm a little stronger than I think

No fear will leave me stranded
No pain can harm me now
I've got a lovely future
Cause I finally know how
Oh, to be a little stronger now

I called my mom & sister
I went to church today
I clapped & hooted, hollered
Did a backflip (just because I know I'm saved)
I'm stronger than you think
Oh, I'm stronger than you think

Oh, I'm stronger than you think
Oh, I'm stronger than you think
