I see your face before my eyes  
I'm falling into darkness  
Why must I fight to stay alive  
Heroes falling

Wake me can't you hear me calling  
Out of darkness they come crawling

Here I am, I am lost in your land  
And I hope you will be - creeping in my soul  
Shadows fall, let me out, hear my call  
And I'll always believe - creeping in my soul

(Creeps from the deep's gonna freaking up your mind)  
(Creeps from the deep's gonna feeding of your spine)

I fade away into the night  
My eyes are closing in  
Shadows are fleeing from the light  
My nightmares can begin

Wake me can't you hear me calling  
Out of darkness they come crawling

Here I am, I am lost in your land  
And I hope you will be - creeping in my soul  
Shadows fall, let me out, hear my call  
And I'll always believe - creeping in my soul

Creeping in my soul - it's getting out of control  
I got to find my escape and get out of this black hole  
Is justice in the world is hard to find  
Time has come... Got to make up my mind  
No matter how deep or remote you hide  
All my thoughts has caught up inside  
Creeps from the deep's gonna freaking up your mind  
Creeps from the deep's gonna feeding of your spine

Here I am, I am lost in your land  
And I hope you will be - creeping in my soul  
Shadows fall, let me out, hear my call  
And I'll always believe - creeping in my soul
