Give me a reason why I can't stay with you
Show me a way to work it out
Cause if we don't now baby
That's the loneliest thing to do
When you have it all
Don't give it away
Cause if you leave me now
You'll take away the biggest part of me
Ooh oh baby please don't go
If you leave me boy
You'll take away the very heart of me
Ohh oh baby please don't go
Can you forgive what I've done to you, can you?
How could I hurt you then deny (I lied)
Cause what I did now baby
Was the stupidest thing to do
Cause I had it all
And gave it away
If you leave me now
You don't know what you're doing
Think about what ya throwin'away
Don't do it oh baby don't do it
Cause though it might sound crazy
I know that we can make it through
No matter what
Cause if you leave me now
You'll take away the biggest part of me
Ooh oh baby please don't go
If you leave me boy
You'll take away the very heart of me
Ohh oh baby please don't go
