You're so addictive  
Like a song without a rhyme  
Like a rhythm out of time  
Like a bird without it's wings  
Can't fly without you  
Like a queen without her king  
Can't rule without you  
Your love's just like a drug  
That flows in my veins  
I just can't shake it off  
It's driving me insane  
I want you back in my life  
I need you, you're so addictive  
I want you back in my life  
I need you, you're so addictive  
Like a desert miss the rain  
That's life without you  
And I won't escape the pain  
Can't breathe without you  
'Cause every little thing I do  
Reminds me of you  
And ain't nothing I say  
Will make it go away  
I want you back in my life  
I need you, you're so addictive  
I want you back in my life  
I need you, you're so addictive  
'Cause every little thing I do  
Reminds me of you  
And ain't nothing I say  
Will make it go away  
I want you back with me  
Escape my misery  
I can't get over you  
There's nothing I can do  
I want you back with me  
Escape my misery  
I can't get over you  
There's nothing I can do  
I want you back in my life  
I need you, you're so addictive  
I want you back in my life

I need you, you're so addictive  
I want you back with me  
Escape my misery  
I can't get over you  
There's nothing I can do  
I want you back with me  
Escape my misery  
I can't get over you  
There's nothing I can do  
I want you back in my life
