People always talk about
(Way oh, way oh way oh)
All the things they're all about
(Way oh, way oh way oh)
Write it on a piece of paper
Got a feeling I'll see you later
There's something 'bout this
Let's keep it moving
And if it's good
Let's just get something cooking
'Cause I really wanna rock with you
I'm feeling some connection to the things you do
(You do, you do)
I don't know what it is
That makes me feel like this
I don't know who you are
But you must be some kind of superstar
'Cause you move like you got some kind of
choreographer
(You just make me wanna play)
Baby take a look around
(Way oh, way oh way oh)
Everybody's getting down
(Way oh, way oh way oh)
Deal with all the problems later
DJ don't touch that cross-fader
There's something 'bout you
Let's keep it moving
And if it's good
Let's just get something cooking
'Cause I really wanna rock with you
I'm feeling some connection to the things you do
(You do, you do)
I don't know what it is
That makes me feel like this
I don't know who you are
But you must be some kind of superstar
'Cause you move like you got some kind of
choreographer
(You just make me wanna play)
Who's that checking my movement
(Way oh, way oh way oh)

I just got into the groove and then
(You just make me wanna play)
If you just put that pen to paper
I got that feeling I'll see you later
You're so cool
Can we get a little closer
You..
Rock it just like you're supposed to
Hey..
I'll nod my head at any thing you say
'Cause you just make me wanna play
I don't know what it is
I don't know who you are
But you must be some kind of superstar
(All your moves)
(You just make me wanna play)
I don't know what it is
That makes me feel like this
I don't know who you are
But you must be some kind of superstar
'Cause you move like you got some kind of
choreographer
I don't know what it is
That makes me feel like this
I don't know who you are
But you must be some kind of superstar
'Cause you move like you got some kind of
choreographer
(You just make me wanna play)
