Wohooo  
That's right (yeah, oohoo)

Now it's just amazing how some people forget  
how you act like nothing happened and there is no  
consequence  
now you're knocking on my door and you're in my  
drive way  
Thinking that i'm ready to jump right back in, what do  
you say

Chorus:  
You can write it in a letter, you can tell it to my face  
But just watch it that you're not insulting my  
intelligense  
I don't need no explanation, facts are speaking for  
themselves  
It's a factual whiketywhack and baby i ain't coming  
back!

Now i've changed my ways, since i've got some  
taste  
and those cute doggy eyes that I used to fall for back  
in the days  
just ain't working no more, and there's no way you  
can score  
and if you don't come up with something soon then  
i'mma be gone

You can write it in a letter, you can tell it to my face  
But just watch it that you're not insulting my  
intelligense  
cause boy you're bouncing of the ceiling, and you  
promise in a pact  
boy it's a factual whiketywhack and baby i ain't  
coming back

Ohooo what's going on nohoo  
it wasn't my intension but i guess that's the way it  
goes  
you act like such a gentleman, and move in on my  
friends

it might just turn around and blow up in your face again

you're looking cocoloco, and you're acting up like  
that

and if you don't come down you'll give yourself a  
heartattack

cause boy i ain't no Whitney, but you act like Bobby  
Brown

just go and find someone who'll listen when you  
make a sound

Chorus..
