Maybe we could feel young again.  
Maybe we could have all our friends at one place at one  
time.

We could be hero's baby, it drives me crazy  
that the only good thing about a johnny come lately is...

We all know

He's got style  
He's class  
He's the only fag left with plastic glasses

hooray for andy autio, hooray.

He cuts line  
He skips class  
He's the only fag left with plastic glasses

hooray for andy autio  
hooray for andy autio

I saw your television show said hooray for andy autio  
so hooray for andy autio

(Repeat)

We're gonna feel young again.  
We're gonna have all our friends at one place at one  
time.

We could be hero's baby, it drives me crazy  
that the only good thing about a johnny come lately is...

We all know

He's got style  
He's class  
He's the only fag left with plastic glasses

hooray for anday autio, hooray.

He cuts line  
He skips class  
He's the only fag left with plastic glasses

hooray for andy autio  
hooray for anday autio

I saw your television show, I heard you on the radio  
sang hooray for andy autio

so hooray for andy autio
