If I was your girlfriend
would you remember
to tell me all the things you forgot
if I was your man
if I was your man
If I was your best friend
would you let me take care of you
and do all the things
that only your best friends can
only your best friends can
If I was your girlfriend
if I was your girlfriend
If I was your girlfriend
would you let me dress you
I mean help you pick out
your clothes before we go out
not that you're helpless
but sometimes sometimes those are the things
that being in love's about
If I was your one and only friend
would you run to me if somebody hurt you
even if that somebody was me
sometimes I trip on how happy we could be
please yea oh oh
If I was your girlfriend
if I was your girlfriend

If I was your girlfriend
I know I could treat you right
I could see what you see
and hear what you hear
and most of all
I could feel what you feel
Oh make me wanna day
shoo doop doo doo
shoo doop
if I was your girlfriend
Oh yea oh yea
if I was your girlfriend
Shoo doop doo
shoo bee dobee doop do
if I was your girlfriend

Baby can I touch you
if I was your girlfriend
before we go out
Sometimes sometimes
those are the things
that being in love is about
if I was your girlfriend
Girlfriend you are to me
surely surely you can see
