What are they that are but one?  
We have one God alone  
In heaven above sits on His throne.

What are they which are but two?  
Two testaments, the old and new,  
We do acknowledge to be true.

What are they which are but three?  
Three persons in the Trinity  
Which make one God in unity.

What are they which are but four  
Four sweet Evangelists there are,  
Christ's birth, life, death which do declare.

What are they which are but five?  
Five senses, like five kings, maintain  
In every man a several reign.

What are they which are but six?  
Six days to labor is not wrong,  
For God himself did work so long.

What are they which are but seven?  
Seven liberal arts hath God sent down  
With divine skill man's soul to crown.

What are they which are but eight?  
Eight Beatitudes are there given  
Use them right and go to heaven.

What are they which are but nine?  
Nine Muses, like the heaven's nine spheres,  
With sacred tunes entice our ears.

What are they which are but ten?  
Ten statutes God to Moses gave  
Which, kept or broke, do spill or save.

What are they which are but eleven?

Eleven thousand virgins did partake  
And suffered death for Jesus' sake.

What are they which are but twelve?  
Twelve are attending on God's son;  
Twelve make our creed. The Dial's done.
