I really can't stay - Baby it's cold outside  
I've got to go away - Baby it's cold outside  
This evening has been - Been hoping that you'd drop in  
So very nice - I'll hold your hands, they're just like ice  
My mother will start to worry - Beautiful, what's your  
hurry  
My father will be pacing the floor - Listen to the  
fireplace roar  
So really I'd better scurry - Beautiful, please don't hurry  
Well Maybe just a half a drink more - Put some records  
on while I pour

The neighbors might think - Baby, it's bad out there  
Say, what's in this drink - No cabs to be had out there  
I wish I knew how - Your eyes are like starlight now  
To break this spell - I'll take your hat, your hair looks  
swell  
I ought to say no, no, no, sir - Mind if I move a little  
closer  
At least I'm gonna say that I tried - What's the sense in  
hurting my pride  
I really can't stay - Baby don't hold out  
Ahh, but it's cold outside

C'mon baby

I simply must go - Baby, it's cold outside  
The answer is no - Ooh baby, it's cold outside  
This welcome has been - I'm lucky that you dropped in  
So nice and warm -- Look out the window at that storm  
My sister will be suspicious - Man, your lips look so  
delicious  
My brother will be there at the door - Waves upon a  
tropical shore  
My maiden aunt's mind is vicious - Gosh your lips look  
delicious  
Well maybe just a cigarette more - Never such a  
blizzard before

I've got to get home - Oh, baby, you'll freeze out there  
Say, lend me your comb - It's up to your knees out there  
You've really been grand - Your eyes are like starlight

now  
But don't you see - How can you do this thing to me  
There's bound to be talk tomorrow - Making my life  
long sorrow  
At least there will be plenty implied - If you caught  
pneumonia and died  
I really can't stay - Get over that old out  
Ahh, but it's cold outside

Baby it's cold outside

Brr it's cold...  
It's cold out there  
Can't you stay awhile longer baby  
Well... I really shouldn't... alright

Make it worth your while baby  
Ahh, do that again...
