We're gonna have a Barnyard Christmas
Barnyard Christmas, Barnyard Christmas
We're gonna have a Barnyard Christmas
On the farm this year

The saw's gonna cut the Christmas tree
The stove's gonna bake plum puddin' for me
The broom's gonna sweep the house so clean
The cow's gonna give us rich ice cream

Rich ice cream, house so clean
Puddin' for me, Christmas tree

We're gonna have a Barnyard Christmas
Barnyard Christmas, Barnyard Christmas
We're gonna have a Barnyard Christmas
On the farm this year

The pig's gonna give us juicy ham
We'll have the bestest duck what am
The horse'll pull us through the snow
We'll kiss beneath the mistletoe

Mistletoe, through the snow
Duck what am, juicy ham
Rich ice cream, house so clean
Puddin' for me, Christmas tree

We're gonna have a Barnyard Christmas
Barnyard Christmas, Barnyard Christmas
We're gonna have a Barnyard Christmas
On the farm this year

Now all you children gather 'round
'Cause Santa Clause is comin' to town
He'll get a surprise that's really grand
With a serenade from our animal band

(Barnyard animals "sing" Jingle Bells)

We're gonna have a Barnyard Christmas

On the farm this year

The hammer will hang our stocking up
We hope to get a brand new pup
And when the sleigh bells ring out clear
We'll know that jolly Santa's near

Santa's near, ring out clear
Brand new pup, stocking up
Mistletoe, through the snow
Duck what am, juicy ham
Rich ice cream, house so clean
Puddin' for me, Christmas tree

We're gonna have a Barnyard Christmas
