Angels sing, their praises ring,  
This special night of Christmas.  
Shepherds shake, from dreams they wake,  
"Can this be really true?"

Christ has come for everyone,  
This special night of Christmas.  
Open hearts will be the start,  
Can this be really true?

Chorus:  
Born this night in a stable,  
Come to make us complete.  
One who loves, one who laughs, one who weeps.

Love is all and we are called,  
This special night of Christmas.  
Your life and mine are now entwined,  
Can this be really true?

Peace has come, the world is one,  
This special night of Christmas.  
But still we fight each day and night,  
Can this be really true?

Chorus

Now we wait to know his fate,  
This special night of Christmas.  
His cross is still on distant hill,  
Can this be really true?

Jesus Christ; our truth, our life,  
This special night of Christmas,  
Gift of God, to bring us love,  
Can this be really true?

Jesus Christ; our truth, our life,  
Can this be really true?
