Christ, the King, born today! Hear the angels sing,
While shepherds watch oer their flocks and the anthem
rings;
From afar Wise Men come and their homage pay;
Good will to men! Peace on earth! Christ is born today!

Chorus:

Alleluia! Praise His holy name!
Alleluia! Christ is born today!
Alleluia! What a joyous day!
Alleluia! Christ is born today!

Bethlehem is the town of the babys birth,
They brot to Him gifts of gold, frankincense and myrrh;
Wrapped up warm in swaddling clothes, sleeping in the
hay;
Emanuel! King of Kings! Christ is born today!

Chorus

Its Christmas Day anytime; just invite Him in,
Hell give you peace lovingly and new life begin;
Sin is past, gone away, all things are made new;
When Jesus comes into your heart, Christ is born in
you!

Chorus

Christ, the King is born today! Angels sing His praise;
What a heavenly celebration, Christ is born today!
Alleluia! Praise His holy name!
Alleluia! Christ is born today!

Christ is born today!
