I was playin Santa Claus  
Downtown on Christmas Eve  
When a Little Girl of three or four  
Climbed up onto my knee

I could tell she had a Christmas wish  
behind those eyes of blue  
so I asked her "What's your name?  
What can Santa get for you?"

\*chorus\*

She Said "My name is Christmas Carol,  
I was born on Christmas Day,  
I don't know who my daddy is  
My mommy's gone away.

All I want for christmas is  
someone to take me home  
does anybody want  
a Christmas Carol of their own?"

Well, all that I could say was  
Santa'd do the best he could  
and I set her down and told her  
"Now remember to be good"

She said "I will" then walked away  
turned and waved goodbye  
and I'm glad she wasn't close enough  
to see old Santa cry.

\*chorus\*

She Said "My name is Christmas Carol,  
I was born on Christmas Day,  
I don't know who my daddy is  
My mommy's gone away.

All I want for christmas is  
someone to take me home

does anybody want  
a Christmas Carol of their own?"

Early Christmas Morning  
I got up and dialed the phone  
I made a few arrangements  
with the county children's home

They told me it would be all right  
to pick her up today  
now my little Christmas Carol  
won't ever have to say

\*final Chorus\*

"My name is Christmas Carol,  
I was born on Christmas Day,  
I don't know who my daddy is  
My mommy's gone away

All I want for christmas is  
someone to take me home  
does anybody want  
a Christmas Carol of their own?"

Well, Merry Christmas Carol  
I love you  
Welcome home.
