Christmas past, present and future baby...

You know when we were ten
We were the best of friends
But who knew then
This love would never end

It was on Christmas Day
I know I heard you say
We'd forever be together
Take it all the way

Baby this is real

I'll be your Christmas past present and future baby
My yesterday every day tomorrow too
Underneath the mistletoe
Let me show what I know
I'll be your Christmas past present and future

Now that we're both grown
You'll never be alone
Baby on Christmas Eve
Your side I'll never leave

My heart goes jing-a-ling
Each time those sleigh bells ring
We'll forever be together
You're my everything

Baby this is real

I'll be your Christmas past present and future baby
My yesterday every day tomorrow too
Underneath the mistletoe
Let me show what I know
I'll be your Christmas past present and future

Every time a snowflake falls
I count the ways I fell for you
And every year we deck the halls

With boughs of love you know are true, oooooohhh...

I'll be your Christmas past present and future baby
My yesterday every day tomorrow too
Underneath the mistletoe
Let me show what I know
I'll be your Christmas past present and future

Christmas past present and future baby
Christmas past present and future baby...
