Santa's got a brand new helper  
You're the first one to be told  
He wears a hat that's trimmed with fur  
And his boots are made of gold.

His name is Christy Christmas  
He's cute as he can be  
He's made of wood  
'Cause Santa carved him from a Christmas Tree

Christy Christmas  
Is loading Santa's Sleigh  
He'll hook up all the reindeer  
And they'll soon be on their way

Christy Christmas  
Is Santa's pride and joy  
He picks out all the presents  
For each little girl and boy

Perhaps you'll get a toyland playground  
Full of skates and kiddie car  
It has a great big slide bar you can ride  
And swing that hanging star

Christy Christmas  
Will make your dreams come true  
And you'll love Christy Christmas  
Just as much as he loves you

Christy Christmas  
Will bring you pretty toys  
Like talking dolls for little girls  
And choo choo trains for boys

Christy Christmas  
Will serve good things to eat  
He'll give your little tummy tum  
A cake and candy treat

Before you go to bed this Christmas

Better leave a snack or two  
They'll be someone else with Santa  
When he comes to visit you

Christy Christmas  
They'll make into a toy  
And all you children soon can play  
With Santa's little boy
