Chill out whatcha yelling' for?
Lay back it's all been done before
And if you could only let it be
you will see
I like you the way you are
When we're drivin' in your car
and you're talking to me one on one but you've become

Somebody else, round everyone else
You're watching your back like you can't relax
You're tryin' to be cool you look like a fool to me
Tell me..

Why d'you have to go and make things so
complicated?
See the way you're acting like you're somebody else
gets me frustrated
Ya' life's like this you
you fall and you crawl and you break
and you take what you get and you turn it into honesty
Ya promise me I'm never gonna find you fake it
no no no

You come over unannounced
dressed up like you're somethin' else
where you are and where it's at you see
you're making me
laugh out when you strike your pose
take off all your preppy clothes
you know you're not fooling anyone
when you've become

Somebody else, round everyone else
You're watching your back like you can't relax
You're tryin' to be cool you look like a fool to me
Tell me..

Why d'you have to go and make things so
complicated?
I see the way you're acting like you're somebody else
