Of all the days in all the year
that I'm familiar with
There's only one that's really fun
December the 25th

Correct!

Ask anyone called Robinson
or Brown or Jones or Smith

Their favorite day

And they will say

December the 25

Correct!

(refrain)

December the 25th, me dears

December the 25th

The dearest day in all the year

December the 25th!

Correct!

At times we're glad to see the backs
of all our kin and kith

But there's one date we celebrate

December the 25th

Correct!

At times our friends may seem
devoid of wit and pith

But all of us are humorous

December the 25th

Correct!

(refrain)

If there's a day in history

that's more than any myth

Beyond a doubt one day stands out

December the 25th

Correct!

I don't hear any arguments

So may I say forthwith

I wish that every day could be

December the 25th

(refrain)
