Don't get so busy that you miss
Giving just a little kiss
To the ones you love
Don't even wait a little while
To give them a little smile
A little is enough
How many people are crying
People are dying...

How many people are asking for love
Don't save it all for Christmas Day
Find a way
To give a little love everyday
Don't save it all for Christmas Day
Find your way
Cause holidays have come and gone
But love lives on
If you give on
Love...

How could you wait another minute
A hug is warmer when you're in it
And Baby that's a fact
And saying "I love you's" always better
Seasons, reasons, they don't matter
So don't hold back
How many people in this world
So needful in this world
How many people are praying for love
Don't save it all for Christmas Day
Find a way
To give a little love everyday
Don't save it all for Christmas Day
Find your way
Cause holidays have come and gone
But love lives on
If you give on
Love...

Let all the children know
Everywhere that they go
Their whole life long

Let them know love
Don't save it all for Christmas Day
Find a way
To give a little love everyday
Don't save it all for Christmas Day
Find your way
Cause holidays have come and gone
But love lives on
If you give on
Love...
Love...
