Thank you for coming home  
I'm sorry that the chairs are all worn  
I left them here I could have sworn

These are my salad days  
Slowly being eaten away  
Just another play for today  
Oh but I'm proud of you, but I'm proud of you

There's nothing left to make me feel small  
Luck has left me standing so tall

Gold  
Always believe in your soul  
You got the power to know  
You're indestructible  
Always believe in, because you are  
Gold  
Glad that you're bound to return  
Something I could have learned  
You're indestructible, always believe it

After the rush has gone  
I hope you find a little more time  
Remember we were partners in crime

It's only two years ago  
The man with the suit and the pace  
You knew that he was there on the case  
Now he's in love with you, he's in love with you  
But love is like a high prison wall  
And you could leave me standing so tall

Gold  
Always believe in your soul  
You got the power to know  
You're indestructible  
Always believe in, because you are  
Gold  
Glad that you're bound to return  
Something I could have learned

You're indestructible,always believe it

Love is like a high prison wall  
and you could leave me standing so tall

Gold

Always believe in your soul

You got the power to know

You're indestructible

Always believe in,because you are

Gold

Glad that you're bound to return

Something I could have learned

You're indestructible,always believe it
