As I watch you move, across the moonlit room  
There's so much tenderness in your lovin'  
Tomorrow I must leave, the dawn knows no reprieve  
God give me strength for when I am leaving...

So raise your hands to heaven and pray  
That we'll be back together someday... oh!

Tonight, I need your sweet caress  
(Hold me in the darkness) Oh!  
Tonight, you calm my restlessness  
(You relieve my sadness) Whoah...

As we move to embrace, tears run down your face  
I whisper words of love, so softly  
I can't believe this pain, it's driving me insane  
Without your touch, life will be lonely

So raise your hands to heaven and pray  
That we'll be back together someday... oh!

Tonight, I need your sweet caress  
(Hold me in the darkness) Oh!  
Tonight, you calm my restlessness  
(You relieve my sadness) Whoah...

Morning has come, another day  
I must pack my bags and say goodbye...  
Goodbye...

Tonight, I need your sweet caress  
(Hold me in the darkness) Oh!  
Tonight, you calm my restlessness  
(You relieve my sadness) Whoah...  
Tonight, I need your sweet caress  
(Hold me in the darkness) Oh!  
Tonight, you calm my restlessness  
(You relieve my sadness) Whoah...
