Do you believe in fairy tales?
I don't know
But I do believe in Christmas

Walking through a winter dreamland
Sleighbells ringing and my friends by my side
I know we're having fun together
Out on a Christmas ride

The snow is falling all around me
The reindeer is singing our favourite song
And Santa's coming to our party
Dancing all night long

'Cos I believe in Christmas
I believe in dreams come true
When it's cold outside
I close my eyes
And it's magic through and through
I believe in Christmas
I believe in Santa's gifts
All the bells will ring
The angels sing
And Christmas time is here
For you and for me

The stars are shining oh so brightly
The snowman's hopping and bopping with me
Lots of joy for everybody
Under the Christmas tree
Everyone is so excited
You know it's just how I want it to be
I'm hoping that all my wishful thinking
Will be reality

'Cos I believe in Christmas
I believe in dreams come true
When it's cold outside
I close my eyes
And it's magic through and through
I believe in Christmas
I believe in Santa's gifts

All the bells will ring
The angels sing
And Christmas time is here
For you and for me

For real
I can't wait 'cos Santa is coming to town
Oh yeah, yeah
He's gonna make your Christmas dreams come true

'Cos I believe in Christmas
I believe in dreams come true
When it's cold outside
I close my eyes
And it's magic through and through
I believe in Christmas
I believe in Santa's gifts
All the bells will ring
The angels sing
And Christmas time is here
For you
