I believe in Santa Claus
I believe in Santa Claus
I believe there's always hope when all seems lost
I believe in Santa Claus

I believe in Santa Claus, I'll tell you why I do
'Cause I believe that dreams and plans and wishes can
come true
I believe in miracles, I believe in magic too
I believe in Santa Claus and I believe in you

I believe in family in country and in smiles
I believe in turning negatives to positives in life
I believe in lookin' farther up the farther down we get
I believe when someone hurts we should forgive and
forget

And I believe in Santa Claus
I believe in Santa Claus
I believe love should prevail at any cost
And I believe in Santa Claus

I believe in saying what you mean and meaning what
you say
I believe a better attitude can make a better way
I believe in viewing life as a journey that we're on
And lookin' at our troubles as another stepping stone

And I believe that everything in life is what it's meant to
be
I believe there is a God somewhere although He's hard
to see
I believe I am so therefore I should do all that I can
To be a better piece in the puzzle of God's plan

And I believe in Santa Claus
I believe in Santa Claus
I believe there's always hope when all seems lost
I believe In Santa Claus

Let the little children sing
I believe in Santa Claus

I believe in Santa Claus
I believe in Santa Claus

And I believe in Santa Claus
Let the whole world sing

I believe in Santa Claus...
