Christmas lights up the city
Roof tops covered in snow
Lovers sharing a sleigh ride cuddled close
And their eyes seem to glow
Window shopping on main street
Bundled up head to toe
Children are skating around a Christmas tree
I see smiles young and old
If everyday could be Christmas
What a wonderful world it would be
We could carry this feeling within us
All through the year
If everyday could be Christmas
Church bells ring in the distance
Peace on earth fills the air
Sidewalk Santas handing out candy canes
I feel love everywhere
If everyday could be Christmas
What a wonderful world it would be
We could carry this feeling within us
All through the year

If everyday could be Christmas

Oh it's that time

We open and give from our hearts

Let love shine brighter than any star

Oh if everyday could be Christmas

What a wonderful world it would be

We could carry this feeling within us

All through the year

Oh if everyday could be Christmas

If everyday could be Christmas

Yeah if everyday could be Christmas

If everyday could be Christmas
