Out here is the country there's magic in the air.

It's the middle of December there's excitement
everywhere

Everyone's invited, the celebration's planned

The gift is just what's in your heart and not what's in
your hand

Who's the one we need to thank

Who's the party for

Who's the one responsible for all this peace and joy

Who deserves the credit for the blessings we enjoy

Preacher said last Sunday it was Joseph and Mary's boy

There were times we didn't think we'd make it through
the year

The bankers tried to take our farms but somehow we're
still here

I don't know how the crops survived the drought and
then the rain

It must have been a miracle how else could you explain

Who's the one we need to thank

Who's the party for

Who's the one responsible for all this peace and joy

Who deserves the credit for the blessings we enjoy

Preacher said last Sunday it was Joseph and Mary's boy

The Christ Child born in Bethlehem

He was Joseph and Mary's boy
