'Twas the night before Christmas when all through the
castle

My monsters were having a Yuletide hassle
The tree was all trimmed in ghoulish things
Like werewolf fangs and vampire wings

(It was a monster's holiday)
But they were up to no good
(It was a monster's holiday)
Didn't act like good monsters should
(It was a monster's holiday)
They found themselves a new play
(It was a monster's holiday)
They planned to rob Santa's sleigh

They were making a list and checking it twice
Frankenstein wanted a shiny new trike
A new chain for Yarnush
A brace for Igor's back
A speed shaver for Wolfman
A new cape for Drac

(It was a monster's holiday)
They were up to no good
(It was a monster's holiday)
Didn't act like good monster's should
(It was a monster's holiday)
They found themselves a new play
(It was a monster's holiday)
They planned to rob Santa's sleigh

The Mummy was to signal from the castle roof
At the very first sound of a reindeer hoof
As Santa slid down the chimney wall
The zombies were to make off with sleigh and all

From beyond the moat there arose such a clatter
I jumped to the window to see what was the matter
Like a bolt of lightning it happened so quick
And there in our midst stood old Saint Nick

He began to dig down deep in his sack

And came up with the traction for Igor's back
Drac got his cape
Franky's trike made him behave
Even Wolfman was happy now he can shave

(It was a monster's holiday)
And all ended well
(It was a monster's holiday)
And Santa was really swell
(It was a monster's holiday)
No need to rob Santa's sleigh
(It was a monster's holiday)
Maybe next year he'll come back

So the children everywhere were spared the grief
Of losing their presents to a monster sleigh thief
Now the monsters love Santa and say they'll behave
And never again rob sleighs or graves

[Repeat "it was a monster's holiday" in background
with the following:]

Igor, what do you think of Santa now?
"Arrrrrr...Santa good!"
And Santa said as he drove out of sight

[Dracula accent:]
"Ho-ho-ho-ho-ho
Merry Christmas to all
And to all a good night - blaaaa!"

Jingle bells jingle bells jingle all the way
Oh what fun it is to ride in a one horse open sleigh
Dashing through the snow
Where is that reindeer with the red nose, blaaaa
On Donner, on Blitzen, on Dancer ...
