I think I saw ol' Santa through my window Christmas
eve
My eyes were really droopy but I really do believe
It must've been ol' Santa 'cause I saw his big red hat
And I know my mom and dad can't fly like that

And then I heard some footsteps in the hall outside my
door
The same ol' Christmas trick my dad had played since I
was four
He stands outside my bedroom yelling "Ho! Ho! Ho!"
because
He knows I don't believe in Santa Claus

I think my daddy sees me
Peeking from my door
But he pretends he's Santa anyway
Every year he tries to fool me
But I'm a big boy now I don't believe in Santa or his
sleigh...
No way!

So I went back to bed and I curled up nice and tight
I stared out my window and looked into the night
And then, all of a sudden, through my window I could
see
Santa Claus was flying by and smiling at me

[Chorus:]
Santa Claus, Santa Claus
It must've been ol' Santa Claus
Santa Claus, Santa Claus
Happy "Ho! Ho! Ho!" to you

Then I heard ol' Rudolph tellin' me to come outside
He told me that ol' Santa wanted me to take a ride
I climbed out of my window and I jumped onto his
sleigh
Then ol' Santa took me up up and away

We flew high above the rooftops of my sleepy town
below
I saw my big red school house and the town square
picture show
It was really past my bedtime and so ol' Santa said
"Little boys like you should be in bed"

So I hollered "Ho! Ho! Ho!"
And I put on Santa's hat
Then he let me hold the reins awhile
We pulled up to my window
And I jumped back in my room
And I waved goodbye to Santa with a smile

When I woke up Christmas morning it was clear and
bright
My parents said my window had blown open in the
night
I smiled as I told them that it must've been the cat
And they asked me where I got my big red hat

[Chorus]
