June

Wake up June

The tree's on fire June

Ohhh noooo

Love is a Christmas tree

But don't think any old tree is safe

Some have a long expire

Turn your house into a funeral pyre

And I watered that tree

Till the branches rose up higher

And it drank drank drank

But it kept on getting drier

Now it burns burns burns

This tree's on fire

This tree's on fire

June call 9-1-1

June

Ohhh

The heat from the smokin' pine

Melted my copy of Walk The Line

And I tried to save A Boy Named Sue

Dang it cooked him too

The cat walked in

Set my Christmas tree on fire

He climbed climbed climbed

Hit some bulbs

And stripped the wires

:(Meows)

:That's when I learned learned learned

This tree's on fire

This tree's on fire

Damn cats

I go into my Christmas tree of fire

And I huffed and huffed and spit

But the flames would not expire

Boy it burns burns burns

This tree's on fire

This tree's on fire

Blow June blow

Oh keep blowing June
