A ray of hope flickers in the sky  
A tiny star lights up way up high  
All across the land dawns a brand new morn  
This comes to pass when a child is born

A silent wish sails the seven seas  
The winds of change whisper in the trees  
And the walls of doubt crumble tossed and torn  
This comes to pass, when a child is born

A rosy hue settles all around  
You got the feel, you're on solid ground  
For a spell or two no one seems forlorn  
This comes to pass, when a child is born

[Spoken:]

And all of this happens, because the world is waiting.  
Waiting for one child
