I hear the ticking of the clock
I'm lying here the room's pitch dark
I wonder where you are tonight
No answer on the telephone
And the night goes by so very slow
Oh I hope that it won't end though,
Alone

'Til now, I'd always got by on my own
I never really cared until I met you
And now it chills me to the bone
How do I get you alone
How do I get you alone

You don't know how long I have wanted
To touch your lips and hold you tight
You don't know how long I have waited
And I was gonna tell you tonight
But the secret is still my own
And my love for you is still unknown
Alone
Oh...

'Til now, I'd always got by on my own
I never really cared until I met you
And now it chills me to the bone
How do I get you alone
How do I get you alone

How do I get you alone
How do I get you, get you alone
Alone! Alone... Oh!!
