Thank you for coming home
I'm sorry that the chairs are all worn
I left them here I could have sworn

These are my salad days
Slowly being eaten away
Just another play for today
Oh but I'm proud of you, but I'm proud of you

There's nothing left to make me feel small
Luck has left me standing so tall

Gold
Always believe in your soul
You got the power to know
You're indestructible
Always believe in, because you are
Gold
Glad that you're bound to return
Something I could have learned
You're indestructible, always believe it

After the rush has gone
I hope you find a little more time
Remember we were partners in crime

It's only two years ago
The man with the suit and the pace
You knew that he was there on the case
Now he's in love with you, he's in love with you
But love is like a high prison wall
And you could leave me standing so tall

Gold
Always believe in your soul
You got the power to know
You're indestructible
Always believe in, because you are
Gold
Glad that you're bound to return
Something I could have learned
You're indestructible, always believe it

Love is like a high prison wall
and you could leave me standing so tall

Gold
Always believe in your soul
You got the power to know
You're indestructible
Always believe in, because you are
Gold
Glad that you're bound to return
Something I could have learned
You're indestructible, always believe it
