Tryin' not to turn the tv on again  
Turns me off to think of myself like that  
Rather write a line I wanna make you cry all night  
Or at least to make you think that that's what I've been  
doing  
I miss being somewhere else  
So never I miss that much at all

What am I doing here in the middle of nothing the  
middle of nowhere  
I'm stuck in one foot following the other I'm going  
round in circles now I've got to get out of here  
Can't hear you, I'm not listening anymore- oh no.

Thinking I should be a lot less cynical  
I hope somebody makes me do something soon  
Staying up all night  
Sleeping half the day  
Waking up forgetting what I'm supposed to dream  
about  
I miss being somebody else  
Oh, I never miss much at all  
What am I doing here in the middle of nothing, the  
middle of nowhere  
I'm stuck in one foot following the other I'm going  
round in circles now I've got to get out of here  
I can't hear you, I'm not listening anymore- oh no.

Cuz I've got a lot to give,  
I've got a lot to say  
Tell me can you hear it?  
If I sing it loud  
Or if I shout it out  
Oh can you hear me, now?  
Singin loud? or shouting loud

What am I doing here in the middle of nothing the  
middle of nowhere  
I'm stuck in one foot following the other I'm going  
round in circles now I've got to get out of here  
I can't hear you, I'm not listening anymore- oh no.  
Anymore--oh no

Anymore--oh
