I am leaning
On You Jesus
With all my longing
Laid before you now
And all I've needed
Is You Jesus
And all my wanting
You satisfied somehow
Chorus:
There is no higher worth
In all the earth
But to love You
How i love You
No greater call
No life at all
But to love You
How I love You
Jesus,
You're my desire
Purify me
'Till I burn for you alone
Chorus:
There is no higher worth
In all the earth
But to love You
How i love You
No greater call
No life at all
But to love You
How I love You
No higher worth
In all the earth
But to love You
How I love You
No greater call
No life at all
But to love You
How I love You
How I love You,
Love You, Jesus, Jesus
How I love You,
Love You, Jesus

Oh how I love you, I love You
How I love You
Love You, Jesus
How I love you
How I love You
Love You, Jesus
Oh how I love You
